**Update: Driveway & Parking Lot Fund Drive**

In late February, the Trustees announced a fund drive to resurface our entire parking lot and both driveways. Based on current funding, the Trustees have explored alternative quotes for a lesser amount while having potential for the work to be completed this summer.

The Trustees asked several local contractors what they could do with \$50,000 starting with our key areas of concern. What we get with the new quotes is a new layer of asphalt on the half circle driveway, the entry from 94<sup>th</sup> Avenue, and a generous portion of the parking lot. We also get the rear portion of the parking lot sealed and the entire parking lot striped. This addresses the high traffic portion of our driveway, the garbage pickup area, the low spot in the circle drive near the playground, and the most frequently used portion of the parking lot. This round of work would not include the entry from Hillsdale Road.

If we can achieve our new \$50,000 goal by mid-July, we can get these key areas addressed this summer.

If you have any questions, please don't hesitate to ask any of your church Trustees and know we appreciate any generosity.
